Sir:

Applicant would like to thank the Examiner for the allowance of the subject application based on the distinctions enumerated in the "Statement for Reasons of Allowance". Applicant agrees, without prejudice, that these distinctions provide sufficient basis for allowance of the application; however, Applicant respectfully submits that there may be alternative and/or additional patentable distinctions between the claimed invention and the cited prior art, related or unrelated to those explicitly addressed in the "Statement of Reasons for Allowance".

Applicant further points out that the Examiner crossed off several references in Applicant's Information Disclosure Statement filed on January 9, 2008, since the dates of the references were missing. On May 12, 2008, Applicant resubmitted a PTO/SB/08b form listing the crossed-off references (items A-I), including their respective dates.

Applicant is confident that the Examiner has considered all of the art cited and submitted in Applicant's Information Disclosure Statement, in accordance with MPEP Section 609. However, in order to ensure that the record is clear on this point, and that all the references appear on the front page of the patent issuing on the present application, Applicant respectfully requests that the Examiner initial the enclosed PTO/SB/08b form (items A-I) and return to Applicant the initialed PTO/SB/08b form. Copies of the listed references are available in the file.

Should the Examiner have any question or comment as to the form, content or entry of this paper, the Examiner is requested to contact the undersigned counsel at the telephone number below.
